

WALK TO SCHOOL DAY

October 10, 2018

WE are proud supporters of Walk to School Day!

We encourage all City of Los Angeles school students and their families to participate in Walk to School Day and visit us on their way home from school!

ABOUT THE EVENT

Walk to School Day is an annual nationwide celebration encouraging physical activity among children and youth. It is a way for parents, students, school personnel, and other community members to accompany students as they walk to school and experience the route students take every day. It often generates wider teaching about the importance of physical activity, awareness of the benefits of walking, and early identification of safety concerns.
